KNIPEX MultiCrimp®

- set composed of pliers and quick changer magazine for current crimping requirements
- for solder-free electrical connections
- repetitive, high crimping quality due to precision dies and integral lock with very fine adjustment (self-releasing mechanism)
- tools have been set precisely (calibrated) in the factory
- ergonomically shaped two-colour dual component handles for one and two-hand operation
- very easy and quick change of crimp profiles; no additional tools required
- interchangeable profiles are securely held in the tool
- secure and dirt-proof storage of the interchangeable profiles in a round magazine
- round magazine with practical belt clip - interchangeable profiles are always ready to hand
- Chrome vanadium electric steel in special quality, oil-hardened
- round magazine: plastic, fibreglass-reinforced
