

## Product information

# 97 43 200

## Crimp System Pliers

- for solder-free electrical connections
- almost parallel crimping die movement
- repetitive, high crimping quality due to precision dies and integral lock (self-releasing mechanism)
- tools have been set precisely (calibrated) in the factory
- optimum transmission of force due to lever action for fatigue-reduced operation
- ergonomically designed handles
- wide range of different crimp profiles for nearly all common crimp connections (see Art. No. 97 49..)
- further special profiles on request
- different locators for precise positioning of the connectors
- comes in a plastic case; foam insert with recesses for crimping dies and locators; with service tool (Allen key), screws and nuts
- without crimping dies
- Chrome vanadium electric steel in special quality, oil-hardened

### Allgemein

Article No.	97 43 200
EAN	4003773030812
Pliers	burnished
Handles	with multi-component grips
weight	988 g
Dimensions	200 x 220 x 50 mm
